

Experience Cache Valley

Due: 4/17/2020 at 11:59pm. (10 Points)

Objective: To encourage students to experience Cache Valley outside of the classroom with other people as part of a balanced educational experience.

Rules:

- Students must participate in an in-person activity in or around Cache Valley that is not directly related to their schoolwork. Options may include a hike in Logan Canyon, attending a USU concert or sporting event.
- The activity must be completed with at least one other person (though additional people do not have to be members of the class).
- The activity *must* occur after the semester starts (January 6) and before the due date.
- *Reporting on explicit or illegal activities will receive no points and may warrant referrals to the appropriate law enforcement agency.*

Essential Elements

1. Include your name:
2. Provide the date, time, and brief description of the activity.
3. Post a picture of you and at least one other person participating in the event.
4. Write a short paragraph (around 100 words) describing how this experience has enriched your educational experience this semester at Utah State University.
